The image features a black background. On the right side, there is a large, abstract graphic element consisting of several parallel diagonal stripes. These stripes are white and black, creating a sense of movement and depth. The stripes originate from the top right corner and extend towards the bottom left, where they meet the text.

# HONORS

An abstract graphic design featuring a series of white, curved, parallel lines that sweep upwards from the bottom right towards the top right corner of the frame. The lines vary in thickness and curvature, creating a sense of dynamic movement and depth. The background is a solid, deep black, which makes the white lines stand out prominently. The overall composition is minimalist and modern, with a strong geometric and organic feel.
